FOR TABLING, EVENTS & MAILERS

Keep this sheet on hand wherever you meet supporters in person — adoption events, community tables, or as an insert in a mailer. Each code below opens a different way to give directly from a phone camera, so a supporter can donate on the spot without typing in a web address. Pick whichever method works best for them; every gift, however it arrives, goes straight to feeding, sheltering, and caring for animals in foster.

Website

Opens our Donate page, with card, PayPal, and every other giving option in one place.

Venmo

Opens Venmo with our account ready — send a gift in a few taps.

BetterWorld

Opens our BetterWorld giving page, a secure card-based option built for nonprofits.

Zelle

Opens Zelle for a fee-free bank transfer — 100% of the gift reaches the animals.
